Guidelines for Bidders for Bid Submissions via Email

1.1 Bidder Guidance for Emailed Submissions

- a) TradeMark Africa (TMA) will automatically send an email acknowledgment for all applications, bids, proposals and/or submissions received via the email addresses stipulated/specified in the bidding document. If a bidder does not receive an email acknowledgement **IMMEDIATELY** after submitting their applications, bids, proposals and/or submissions, via the email address stipulated in the bidding document, **IMMEDIATELY** contact TMA's Procurement unit using the mobile phone number, **+254 731 884 428**, to confirm whether the applications, bids, proposals and/or submissions were received.
- b) Bidders must not ignore any bounce back email received regarding rejection of an emailed application, bid, proposal and/or submission. If such an email is received, contact TMA's Procurement unit **IMMEDIATELY**.

1.2 Possible Reasons for Emailed Submission Rejection

- a) The email submission exceeded the maximum size of 5 MB;
- b) The subject line matched a known phishing subject line;
- c) The email contained a known phishing Uniform Resource Locator (URL), or the email originated from a server associated with phishing;
- d) The outbound mail server was present on a subscribed blacklist; or
- e) The email contained a virus or malware.

1.3 Remedial Action for Rejected Email Submission Prior to Tender Closing Date & Time

Prior to the tender closing date and time, if a bidder's submission is rejected, the following remedial action should be explored prior to re-submission.

- a) If the collective size of the emailed attachments **exceeds 5 MB**, the bidders should resubmit through multiple emails or may use other modes such **WeTransfer, Dropbox, or Google drive**. The bidder shall be required to clearly identify how many emails constitute the full submission. e.g., email **1 of XX**;
- b) If the emailed submission included zipped or executable files, unzip or remove the executable files then resubmit through one or more emails (refer to point 1.3a) above if the files collectively exceed 5 MB);
- c) If the email submission is rejected because of a blacklisted domain, the bidder is required to resend the submission from a different email account from a different domain that is not blacklisted, e.g., Gmail. Please note, this should be done before the stipulated tender submission deadline; and
- d) If the email submission is rejected because of a virus/malware in the email or any of the email attachments, ensure that the virus/malware is removed/cleaned prior to resubmission.

TMA's Procurement unit shall only consider and review cases of undelivered applications, bids, proposals and/or submissions, when it is brought to our attention by the affected bidder/s prior to the tender submission deadline.
