TradeMark Africa (TMA) is a leading African Aid-for-Trade organisation that was established in 2010. TMA aims to grow intra-African trade and increase Africa's share in global trade, while helping make trade more pro-poor and more environmentally sustainable. TMA focus is reducing the cost and time of trading across borders through enhanced trade policy, better trade infrastructure, standards that work for businesses, greater use of digital innovations and a focus on creating trade access for vulnerable groups, has contributed to substantially lower cargo transit times through improved border efficiency, and reduced trade barriers.
