EXPRESSION OF INTEREST (EOI)

TradeMark Africa (TMA) is a leading African Aid-for-Trade organisation that was established in 2010. TMA aims to grow intra-African trade and increase Africa's share in global trade, while helping make trade more pro-poor and more environmentally sustainable. Our focus on reducing the cost and time of trading across borders through enhanced trade policy, better trade infrastructure, standards that work for businesses, greater use of digital innovations and a focus on creating trade access for vulnerable groups, has contributed to substantially lower cargo transit times through improved border efficiency, and reduced trade barriers. TMA recently rebranded from TradeMark East Africa (TMEA), reflecting our ambitions to serve partners in driving continental-wide trade gains, and are expanding from East and the Horn of Africa to Southern and West Africa. TMA operates on a not-for-profit basis and is funded by institutional and philanthropic development partners. TMA works closely with regional and continental intergovernmental organisations, national Governments, the private sector, and civil society organisations to deliver results that drive shared prosperity and reduce poverty.
