TMA may extend the proposal submission deadline to give the Consultants reasonable time to take an amendment into account in their proposals.

9. Eligibility

This assignment is eligible for firms and consortiums only. Applications received from individual consultants shall be automatically disqualified.

TMA permits Consultants (firms, including JVs and their members) from all countries to offer consulting services for TMA-financed projects.

Furthermore, it is the Consultant's responsibility to ensure that its experts, JV members, sub-Consultants, agents (declared or not), sub-contractors, service providers, suppliers and/or their employees meet the eligibility requirements as established by TMA.

a) **Sanctions:** A firm or an individual sanctioned by TMA in accordance with the Supplier Code of Conduct, shall be ineligible to be awarded or benefit from a TMA-financed contract, financially or otherwise, during such period as TMA shall determine.

Consultants debarred by the World Bank, the Public Procurement and Disposal Act (PPDA) of the Governments of all TMA countries of operation, TMA donors and/or any other international donor agency are barred from bidding.

b) **Prohibitions:** Consultants and individuals of a country or goods manufactured in a country may be ineligible if indicated in TMA's Supplier Code of Conduct and:

- as a matter of law or official regulations, the recipient's country prohibits commercial relations with that country, provided that TMA is satisfied that such exclusion does not preclude effective competition for the provision of services required; or
- by an act of compliance with a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations, the recipient's country prohibits any import of goods from that country or any payments to any country, person, or entity in that country.

c) **Restrictions for Government-owned Enterprises:** Government-owned enterprises or institutions in the recipient's Country shall be eligible only if they can establish that they (i) are legally and financially autonomous, (ii) operate under commercial law, and (iii) that they are not dependent agencies of TMA.

To establish eligibility, the government-owned enterprise or institution should provide all relevant documents (including its charter) sufficient to demonstrate that it is a legal entity separate from the government; it does not currently receive any substantial subsidies or budget support; it is not obligated to pass on its surplus to the government; it can acquire rights and liabilities, borrow funds, and can be liable for repayment of debts and be declared bankrupt; and it is not competing for a contract to be awarded by the government department or agency which, under the applicable laws or regulations, is its reporting or supervisory authority or has the ability to exercise influence or control over it.

d) **Restrictions for public employees:** Government officials and civil servants of the recipient's country are not eligible to be included as experts in the Consultant's proposal unless such engagement does not conflict with any employment or other laws, regulations, or policies of the Recipient's country, and they

- are on leave of absence without pay, have resigned or retired.
- are not being hired by the same agency they were working for before going on leave of absence without pay, resigning, or retiring.

(in case of resignation or retirement, for a period of at least six (6) months, or the period established by statutory provisions applying to civil servants or government employees in the recipient's country, whichever is longer. Experts who are employed by the government-owned universities, educational or research institutions are not eligible unless they have been full-time employees of their institutions for a year or more prior to being included in consultant's proposal); and

The weight given to the technical proposal shall be **70%**, and the weight given to the financial proposal shall be **30%**.

19. Financial Evaluation

All substantially responsive proposals that score **70 marks or more** from the technical submission evaluation and satisfy the Compliance evaluation shall have their financial proposals evaluated.

The formula for determining the financial score (Sf) shall be as follows: **$Sf = 30\% \times Fm/F$**

Where:

Sf is the financial score

Fm is the lowest fees quoted; and

F is the fees of the proposal under consideration.

The lowest fees quoted will be allocated the maximum score of **30%**.

The bidders' proposals will be ranked according to their combined technical score (St) and financial score (Sf) and weighted accordingly. The formula for the combined scores (S) shall be as follows: **$S = St \times T\% + Sf \times P\%$**

Where:

S is the total combined scores of technical and financial scores

St is the technical score

Sf is the financial score

T is the weight given to the technical proposal (in this case **70%**) and

P is the weight given to the financial proposal (in this case **30%**)

Note P + T will be equal to **100%**.

The bidder who has achieved the highest combined technical and financial score shall be declared successful and subsequently invited for clarifications.

20. Negotiation

TMA, may at its discretion, choose to negotiate either with all Consultants that have passed technical and financial evaluation, or a shortlist of such, on any aspects of the TOR, proposed methodology, key expert, inputs, price and/or conditions of the contract.

Both Technical and Financial proposal MUST be password protected.

22. Late tenders.

23. Complaints

Any questions, queries or concerns about the procurement process should be raised directly with the Head of Procurement in the first instance via procurement@trademarkafrica.com, who will address the matters raised. If the matter is not satisfactorily resolved, the complainant is encouraged to write to complaints@trademarkafrica.com.

24. Deviations, Reservations, and Omissions

During the evaluation of bids, the following definitions apply:

- "Deviation" is a departure from the requirements specified in the Bidding Document.
- "Reservation" is the setting of limiting conditions or withholding from complete acceptance of the requirements specified in the Bidding Document; and
- "Omission" is the failure to submit part, or all of the information or documentation required in the Bidding Document.

25. Determination of Responsiveness

TMA's determination of a bid's responsiveness is to be based on the contents of the bid itself. A substantially responsive bid is one that meets the requirements of the Bidding Document without material deviation, reservation, or omission. A material deviation, reservation, or omission is one that, if accepted, would:

- Affect in any substantial way the scope, quality, or performance of the Works specified in the Contract; or
- Limit in any substantial way, inconsistent with the Bidding Document, the Employer's rights or the Bidder's obligations under the proposed Contract; or
- If rectified, would unfairly affect the competitive position of other Bidders presenting substantially responsive bids:
- The Employer shall examine the technical aspects of the bid submitted in accordance with Invitation to Consultants (ITC), Technical Proposal in particular, to confirm that all requirements have been met without any material deviation, reservation, or omission; and
- If a bid is not substantially responsive to the requirements of the Bidding Document, it shall be rejected by the Employer and may not subsequently be made responsive by correction of the material deviation, reservation, or omission.

26. Nonconformities, Errors, and Omissions

- Provided that a bid is substantially responsive, the Employer may waive any non-conformity in the bid.
- Provided that a bid is substantially responsive, the Employer may request that the Bidder submit the necessary information or documentation, within a reasonable period of time, to rectify nonmaterial nonconformities in the bid related to documentation requirements. Requesting information or documentation on such nonconformities shall not be related to any aspect of the price of the bid. Failure of the Bidder to comply with the request may result in the rejection of its bid.
- Provided that a bid is substantially responsive, the Employer shall rectify quantifiable nonmaterial nonconformities related to the Bid Price. To this effect, the Bid Price may be adjusted, for comparison purposes only, to reflect the price of a missing or non-conforming item or component.

CONSULTANCY FOR PROVISION OF TAX COMPLIANCE AND AD HOC SERVICES FOR TRADEMARK AFRICA

Background and Justification

TradeMark Africa (TMA) is a leading African Aid-for-Trade organization founded in 2010, with a mission to grow intra-African trade, increase Africa's share in global trade, and make trade more pro-poor and environmentally sustainable. TMA operates on a not-for-profit basis and is funded by Canada, Denmark, the European Union, Finland, France, the Gates Foundation, Ireland, the Mastercard Foundation, the Netherlands, Norway, Sweden and the United Kingdom. As of 2026, TMA operates in countries across East, West, Southern, and the Horn of Africa.
