1. Preamble

TradeMark Africa (TMA), formerly TradeMark East Africa, is an Aid-for-Trade organisation that was established in 2010, with the aim of growing prosperity through increased trade. TMA operates on a not-for-profit basis and is funded by: Belgium, the Bill and Melinda Gates Foundation, Canada, Denmark, the European Union, Finland, France, Ireland, the Netherlands, Norway, the United Kingdom and the United States of America. TMA works closely with regional intergovernmental organisations, including the African Union (AU), the African Continental Free Trade Area (AfCFTA) Secretariat, the East Africa Community (EAC), the Intergovernmental Authority on Development (IGAD), the Common Market for East and Southern Africa (COMESA), the Southern Africa Customs Union (SACU), national Governments, the private sector and civil society organisations.

The first two strategic periods of TMA (2010-2023) have contributed to substantial gains for trade and regional integration in East Africa and the Horn of Africa in terms of decreased cargo transit times (reduction of 16.5% on the Northern Corridor from Mombasa to Bujumbura), improved border efficiency (the time to cross targeted one stop border posts has been reduced by an average of 70%), and reduced barriers to trade. The continental-wide shift and rebrand to TMA was officially launched in West Africa in January 2023, with Ghana being the first country of operations in the region. While continuing to leverage our core expertise in trade facilitation, we will evolve our focus to harness the potential of digitalisation, support African exporters to pioneer low carbon trade, address the core trade factors behind food security and promote inclusive trade. By increasing trade volumes, and enhancing the sustainability and inclusiveness of trade, we aim to deliver large-scale job creation, poverty reduction and enhanced economic growth.

In 2022, TMA set up a catalytic finance fund, Trade Catalyst Africa (TCA), that will pilot commercially viable projects for creating trade infrastructure (both physical and digital) as well as increasing access to Trade Finance for Small and Medium Enterprises (SMEs). TMA's headquarters are in Nairobi, Kenya. Operations and offices are in: EAC Secretariat - Arusha, Burundi, the Democratic Republic of Congo, Djibouti, Ethiopia, Ghana, Malawi, Mozambique, Rwanda, Somaliland, South Sudan, Tanzania, Uganda, and Zambia. 2. Overview

- a) TMA's success depends on its reputation, integrity, openness, and respect for others. The trust and confidence of those with whom we deal is therefore essential. We treat our stakeholders with respect, honesty and fairness. We recognise our obligations to all those with whom we have a direct relationship such as donors, staff, service providers, contractors and suppliers, the private sector in general, governments, civil society and the wider community.
- b) This TMA Supplier Code of Conduct ("the Code") sets out the minimum requirements and standards expected from all suppliers, tenderers, and sub-contractors, when delivering projects and programmes. The Code covers areas that are central to a procurement and supply process such as value for money and governance, ethical behaviour and transparency, delivery chain management, observance of human rights, environmental and social safeguarding, organised crime, and security. It also covers employment of forced and/or child labour, fraud and corruption, gifts and hospitality. The Code replaces the previous Code of

Ethics, Fair Price declaration, the Anti-Terrorism and Anti-Organised Crime declarations that all TMA suppliers were required to sign.

- c) Furthermore, the Code sets out the overarching principles for tenderers, suppliers and sub-contractors when doing business with TMA requiring them to:
 - Act responsibly and with integrity;
 - Be transparent and accountable;
 - Seek to improve value for money; and
 - Demonstrate commitment to poverty reduction and TMA priorities.
- d) TMA requires that all tenderers, suppliers and sub-contractors, along with their respective staff, comply with the requirements and standards contained in the Code as applicable.
- e) Failure by a tenderer, supplier and/or their sub-contractors to comply with the provisions of the Code may disqualify and/or debar the supplier and/or sub-contractor from being eligible for TMA contracts and may result in a contract being terminated.
- f) For each separate procurement process, each tenderer must initial each page and sign the final page of the Code to signify that they have read, understood, will comply with, and will put into practice the content of the Code.
- g) In signing the Code, tenderers and suppliers accept that TMA or its appointed agents may undertake any checks it deems fit to ensure all reasonable measures have been taken to achieve compliance with the Code.
- h) TMA aims to create a culture in which it is normal for suppliers to 'do the right thing' and to voice genuinely held concerns about behaviour or decisions that they perceive to be unethical. Any concerns should be directed to TMA's independent whistleblowing channels as described in this document, and/or to the whistleblowing mechanisms of any of TMA's donors, the contact details of which can be found on their respective official websites.
